MPD Caster Guard Cart Accessory | TCG-1

Stock Photo – Options May Vary

FACTORY NEW

MPD Cart Accessory: Caster Guard TCG-1. The MPD TCG-1 offers reliable protection for your medical cart's wheels and surrounding areas. Designed for durability and ease of use, this caster guard fits both MPD Select and Standard Carts. It helps prevent damage to walls, doorways, and cart wheels in fast-paced clinical environments.

Each TCG-1 Caster Guard set includes four guards to fully outfit one cart. These guards install quickly and provide long-lasting performance. Additionally, by shielding the casters, they help extend the life of your cart and maintain smooth mobility.

As a result, this makes them ideal for hospitals, clinics, and other high-traffic medical facilities.

Brochure and images are a general overview of the product. Actual product options may vary.
