MPD Catheter Holder Cart Accessory | TCS-2

Stock Photo – Options May Vary

FACTORY NEW

MPD Catheter Holder Cart Accessory: TCS-2. A durable and convenient storage solution for catheters and related supplies. Designed to fit both MPD Standard and Select Carts, this accessory keeps essential items organized and within easy reach.

The TCS-2 model features a solid front for added privacy and protection during transport and storage. MPD Catheter Holders are available in two styles, Solid Front and Clear Front, to meet your clinical preferences.

They also come in two sizes, allowing you to choose the best fit for your cart and storage needs. Furthermore, the TCS-2 model (shown left) measures 19″ x 8″ x 4″, offering ample capacity without taking up excess space.
