MPD Drawer Divider Kit Cart Accessory | TDV-5

Stock Photo – Options May Vary

FACTORY NEW

MPD Drawer Divider Kit Cart Accessory: TDV-5. Optimize your MPD Cart storage with the TDV-5 Drawer Divider Kit, designed for custom, adjustable organization. This versatile accessory fits 6″, 9″, and 12″ drawers, making it ideal for various cart configurations. Healthcare teams rely on the TDV-5 to maintain order and improve access to essential supplies.

The TDV-5 Divider Kit features a unique spring tension system that securely holds the adjustable divider in place during use. This keeps contents separated, even with frequent drawer movement. As a result, you get dependable organization without constant readjustment or clutter.

Additionally, this cart accessory allows for fast customization based on drawer contents.
