

MPD Drawer Tray Cart Accessory | TRY-4

Stock Photo - Options May Vary

FACTORY NEW

MPD Cart Accessory: Drawer Tray: TRY-4. Customize your MPD Cart with the TRY-4 Expandable Drawer Tray, a reliable solution for organizing medical tools and supplies. This tray fits various cart sizes, expanding to meet changing storage needs. Healthcare professionals trust it to improve drawer efficiency and daily workflow.

The TRY-4 Tray features eight built-in compartments and measures 13-1/4" to 21-1/4" wide, 16" deep, and 2-1/4" high. Furthermore, its expandable design adapts easily, keeping supplies secure and accessible. Whether you're organizing medications or instruments, this tray offers fast, flexible configuration.

Moreover, MPD's expandable and non-expandable trays allow complete customization of your cart.
