MPD Cart Accessory: Mini/Tower Drawer Dividers

Stock Photo – Options May Vary

FACTORY NEW

MPD Cart Accessory: Mini/Tower Drawer Dividers. Simplify cart organization with MPD Mini/Tower Drawer Dividers, designed for efficient storage and easy customization. These dividers help separate supplies, reduce clutter, and improve access in busy medical settings.

Additionally, MPD offers a wide variety of divider options to fit your exact cart configuration. The TEF-3M Divider Set, shown above, includes 2 rails and 4 durable dividers, making setup fast and flexible.

Furthermore, these components allow you to organize drawers by item type, size, or usage frequency. Whether you're working with Mini or Tower carts, the system adjusts to your workflow.

Brochure and images are a general overview of the product. Actual product options may vary.
