FACTORY NEW

MPD Mini/Tower Full Drawer Tray Cart Accessory: TMH-10. Simplify drawer organization with the TMH-10 Full Drawer Tray, a versatile accessory for MPD Mini and Tower Carts. In addition, MPD offers a wide selection of full-drawer trays, each available in various compartment layouts to match specific storage needs.

These trays help improve efficiency and reduce clutter. The TMH-10 model includes 4 dividers, 10 ampule holders, and 2 rails, making it easy to organize medications and small items.

The secure design keeps contents in place, even during frequent cart movement. Additionally, this setup ensures supplies stay neat, visible, and ready to access.
