FACTORY NEW

MPD Cart Accessory: Mini/Tower Shelf Unit TBS-1. Expand your MPD Mini or Tower Cart's storage capacity with the TBS-1 Mini/Tower Shelf Unit. Specifically designed for compatibility with MPD carts, this durable shelf accessory offers a practical, space-saving solution for organizing essential items.

Whether you're working in a hospital, clinic, or lab, this shelf provides easy access to supplies when and where you need them most. The TBS-1 Shelf Unit measures 14-1/16″ x 18″, making it compact yet efficient.

Furthermore, it adds an extra layer of storage, ideal for holding small equipment, medications, or tools.

Brochure and images are a general overview of the product. Actual product options may vary.
