MPD Cart Accessory: Narcotic Drawer Cover TND-1

Stock Photo – Options May Vary

FACTORY NEW

MPD Cart Accessory: Narcotic Drawer Cover TND-1. Enhance the security of your MPD Cart with the TND-1 Narcotic Drawer Cover, designed to protect sensitive or controlled substances. This durable accessory fits securely over any standard 3″, 6″, 9″, or 12″ drawer, offering reliable protection in high-security medical and clinical settings.

Whether you manage a hospital, pharmacy, or treatment facility, the TND-1 helps meet safety and compliance standards. Built for peace of mind, the TND-1 adds an extra layer of privacy and access control to your cart setup.

It prevents unauthorized access while keeping contents clean and securely contained. The design allows for easy installation and removal without compromising storage space or workflow efficiency.
