MPD Triple Glove Box Holder Cart Accessory | TGB-3

Stock Photo – Options May Vary

FACTORY NEW

MPD Triple Glove Box Holder Cart Accessory: TGB-3. Adds convenient glove storage to your medical cart setup. It holds up to three standard glove boxes, keeping them easily accessible during procedures.

This holder helps maintain a clean, efficient, and organized environment in busy healthcare settings. MPD offers glove box holders in both single and triple box formats to meet various space and usage needs. Furthermore, these MPD TGB-3 holders are compatible with MPD Standard and Select Carts.

Easily mount them to your cart to streamline access to gloves and improve workflow. Select the right model based on your facility's glove usage and cart type.
