MPD Wire B/P Cuff Basket Cart Accessory | TWB-10

Stock Photo – Options May Vary

FACTORY NEW

MPD Wire B/P Cuff Basket Cart Accessory: TWB-10. The MPD TWB-10 provides compact, convenient storage for blood pressure cuffs and small medical tools. Measuring 6″ x 6″ x 4-1/2″, it helps keep essential items organized and accessible during patient care.

Furthermore, you must use the TAB-1 Accessory Bar Bracket, sold separately, to install the TWB-10 basket. As a result, this ensures a secure, stable mount to your MPD Standard or Select Cart.

Additionally, the TWD-10's open wire design allows for easy visibility and quick access. Add this TWD-10 wire basket to streamline storage and support efficient workflows in any healthcare environment.
