MPD Cart Accessory: Wire Basket TWB-12

Stock Photo – Options May Vary

FACTORY NEW

MPD Cart Accessory: Wire Basket TWB-12. The MPD TWB-12 Wire Basket adds durable, versatile storage to medical carts. Measuring 12″ x 8″ x 4″, it offers ample space for essential supplies.

Its open wire design ensures easy visibility and quick access, perfect for busy clinical settings. Healthcare professionals can keep frequently used items within reach, improving efficiency and organization during procedures. MPD manufactures a wide range of medical cart accessories, including wire baskets, to meet diverse storage and organization needs.

The TWB-12 Wire Basket attaches securely to compatible carts, helping maintain a clutter-free workspace. For installation, it requires the TAB-1 Accessory Bar Bracket (sold separately).
