MPD Wire Basket Cart Accessory | TWB-13

Stock Photo – Options May Vary

FACTORY NEW

MPD Wire Basket Cart Accessory: TWB-13. The MPD TWB-13 Wire Basket adds reliable, spacious storage to medical carts. Measuring 12″ x 12″ x 8″, it provides ample room for essential supplies and equipment. Its open wire construction allows quick visibility and easy access, ideal for busy healthcare settings.

Professionals can keep frequently used items within reach, helping improve efficiency and workflow during procedures. MPD produces a broad range of medical cart accessories, including wire baskets, to fit a variety of organization needs. The TWB-13 Wire Basket attaches securely to compatible carts, helping maintain a clean, clutter-free work area.

For proper installation, it requires the TAB-1 Accessory Bar Bracket (sold separately).

Brochure and images are a general overview of the product. Actual product options may vary.
