MPD Wire Basket Cart Accessory | TWB-7

Stock Photo – Options May Vary

FACTORY NEW

MPD Wire Basket Cart Accessory: TWB-7. The MPD TWB-7 Wire Basket is a durable and practical accessory designed to expand storage options for medical carts. Measuring 20″ x 10″ x 3″, it provides a convenient space for organizing medical supplies and instruments.

Its open wire design ensures easy visibility and quick access, making it perfect for fast-paced healthcare environments where efficiency matters most. MPD offers a full range of medical cart accessories, including wire baskets, to meet various organizational needs.

Furthermore, the TWB-7 Wire Basket attaches securely to compatible carts, helping maintain a clean and organized workspace. Additionally, for installation, it requires the TAB-1 Accessory Bar Bracket (sold separately).
