MPD Mini Tower 4 Drawer Isolation Cart | MAT-430

Stock Photo – Options May Vary

FACTORY NEW

MPD MAT-430 Mini Tower 4 Drawer Isolation Cart. The MPD MAT-430 offers big storage in a compact, space-saving design. Its efficient size fits tight spaces while still providing full functionality. Moreover, it includes a free extra-thick plastic top, durable double wall construction, and quiet ball-bearing drawer slides for smooth operation.

For superior mobility, the cart features large 5″ premium casters, two locking, one directional, plus an outrigger stabilizing frame for added safety. Additionally, all drawers fully extend, offering easy access to supplies during high-pressure medical tasks. Customize your Mini Tower cart at no extra charge with your preferred drawer configuration.

Choose from E-Z Push aluminum or steel construction for long-term durability.
