FACTORY NEW

MPD Unit Dose Bins Medication Cart Accessory: TPB-1. The MPD TPB-1 is an essential accessories for organizing patient medications in carts. Additionally, each package includes 20 durable bins.

These patient bins help streamline workflow in hospitals, pharmacies, and care facilities by reducing clutter and improving medication access. Each TPB-1 bin measures 2-1/4 inches high, 11 inches deep, and 4 inches wide. As a result, these compact dimensions allow easy storage without sacrificing accessibility.

Additionally, the standardized size fits most medication carts seamlessly, ensuring efficiency and compatibility across medical setups. Designed for daily use, these bins offer reliable performance in fast-paced healthcare environments.
