# MPD Mini Cart Emergency Accessory Package | TME-PK

*Stock Photo – Options May Vary*

**FACTORY NEW**

MPD Mini Cart Emergency Accessory Package TME-PK. The MPD TME-PK enhances your emergency response setup with essential add-ons. It includes oxygen tank brackets, an IV pole, expandable trays, and additional accessories for improved functionality.

Designed for efficiency, this package transforms your mini cart into a fully equipped emergency station. Moreover, each component in the TME-PK package supports fast access and organized supply management during urgent situations.

Furthermore, with its versatile configuration, medical staff can respond quickly and confidently. As a result, these features make it ideal for clinics, hospitals, and on-the-go care environments.
