

# MPD Mini Tower Anesthesia Cart Accessory Package | TTA-PK

*Stock Photo - Options May Vary*

## **FACTORY NEW**

MPD Mini Tower Anesthesia Cart Accessory Package: TTA-PK. The MPD TTA-PK enhances your anesthesia cart setup with essential tools and features. Ideal for surgical and procedural settings, this package helps streamline supply organization and improve access during critical moments.

Furthermore, the TTA-PK package includes specialized accessories tailored for anesthesia use, ensuring efficiency and convenience. With a compact design, it integrates easily into your workflow, saving space while supporting high-performance care delivery. Additionally, it helps reduce setup time and keeps critical items within reach.

Moreover, add the TTA-PK package to your existing mini tower cart to upgrade your anesthesia station with reliability and functionality.
