MPD Mini Tower Computer Cart | MAT-524C

Stock Photo – Options May Vary

FACTORY NEW

MPD Mini Tower Computer Cart: MAT-524C. The MPD MAT-524C offers the strength and versatility of a full-sized cart in a compact, space-saving design. Furthermore, it combines the key benefits of MPD's Mini Carts with large premium casters and an outrigger stabilizing frame for added support and mobility.

Shown in Sea Foam Green, this cart is available in 17 vibrant colors to match your workspace needs. Built with steel construction, the MAT-524C features quiet ball bearing slides and full drawer extensions for smooth, reliable access.

Additionally, it includes an extra-thick plastic top for durability and a clean working surface.
