MPD Mini Tower Emergency Cart Accessory Package | TTE-PK

Stock Photo – Options May Vary

FACTORY NEW

MPD Mini Tower Emergency Cart Accessory Package: TTE-PK. The MPD TTE-PK transforms your Mini Tower into a fully equipped, high-performance emergency response cart.

Shown with the MCT-630-R Mini Tower Cart (not included), this package is ideal for improving speed and organization in urgent care settings. In addition, this package includes one TMR-1 tubular rail, one TIV-1 IV pole, one TOB-1 oxygen tank bracket, two TRY-1 trays, one TDV-5 drawer divider kit, two TET-2 expandable trays, one TET-1 expandable tray, and one TCB-1 cardiac board with brackets.

These components work together to provide organized storage, secure access, and enhanced functionality during emergencies.
