MPD Mini Tower Value Cart Accessory Package | TTV-PK

Stock Photo – Options May Vary

FACTORY NEW

MPD Mini Tower Value Cart Accessory Package: TTV-PK. The MPD TTV-PK is the perfect bundle to enhance your Mini Tower cart. This comprehensive kit includes several essential accessories, designed to improve organization and efficiency.

Please note, the MAT-524-CCB Mini Tower cart (sold separately) is not included in the package. Included in the TTV-PK kit is the TWC-3 Waste Container (without top), ideal for keeping your workspace clean and clutter-free.

The TAB-1 Accessory Bar Bracket adds versatility, allowing you to easily attach additional tools or accessories. You'll also receive the TRY-4 Expandable Tray, which provides extra space for organizing smaller items.

**Brochure and images are a general overview of the product. Actual product options may vary.*
