FACTORY NEW

MPD MMX-524 Mini 5 Drawer Anesthesia Cart w/ Proximity Reader. The MPD MMX-524 is perfect for tight spaces, offering ample storage with a slim profile and 3” swivel casters (two locking) for easy movement. It offers free customizable drawers and comes in 17 colors, including solid and two-tone, to fit your facility’s needs. The cart shown is teal.

The MMX-524 has five drawers with a secure electronic lock and EZ Open auto-lock for easy access. Additionally, it includes a free plastic top and strong double-wall construction. Furthermore, the smooth, full-extension ball-bearing drawer slides make operation easy.

Note: The proximity reader software and card are sold separately for added security.
