

# MPD Mini Tower 5 Drawer Cart with Proximity Reader | MOT-524

Stock Photo - Options May Vary

## FACTORY NEW

The MPD MOT-524 is a 5-drawer mini tower cart designed for medical environments requiring compact, mobile storage. It features large 5-inch premium casters (2 locking, 1 directional) and an outrigger stabilizing frame for enhanced mobility and stability. The cart is made in the USA and is latex-free.

Available in EZ-Push aluminum or steel construction, the MOT-524 offers flexible drawer configurations with quiet ball bearing slides and full extension drawer openings. Custom drawer configurations are available at no charge. The cart includes a free plastic top and comes in 17 color options.

The standard drawer configuration includes three 3-inch drawers, one 6-inch drawer, and one 9-inch drawer, providing 24 inches of total drawer space. A proximity reader can be added separately to enhance security and access control.
