# MPD Mini Tower 6 Drawer Cart w/ Push Button Lock | MPT-630A

*Stock Photo – Options May Vary*

**FACTORY NEW**

MPD 6 Drawer Cart w/ Push Button Lock: MPT-630A. The MPD MPT-630A offers big storage in a compact design, perfect for tight workspaces. It features 5″ premium casters—two locking, one directional—for smooth mobility and added control. The outrigger stabilizing frame ensures stability, making it ideal for medical, lab, or industrial environments.

This MPT-630A mini tower cart includes quiet ball-bearing drawer slides and double-wall construction for durability. Choose from 17 solid or two-tone colors to match any setting. Moreover, each unit comes with a free extra-thick plastic top and is available in aluminum or steel construction for long-lasting use.

Additionally, it offers E-Z push handling for ease of transport.
