MPD Deep Shelving Select Cart Accessory | SDT-2

Stock Photo – Options May Vary

FACTORY NEW

The MPD Deep Shelving Select Cart Accessory: SDT-2 enhances the functionality of MPD Select Series Carts. This accessory offers three convenient styles designed to fit seamlessly on your cart. Each style boosts storage space and improves accessibility, allowing medical professionals to organize supplies effectively.

As a result, workflow becomes smoother and more efficient in fast-paced environments. Additionally, the MPD Deep Shelving Select Cart Accessory saves valuable time and energy during daily operations. The accessory ensures critical supplies remain within reach, reducing unnecessary movement and delays.

With its durable design, it supports long-lasting performance, even in demanding medical settings.
