MPD SELECT Elite Emergency Cart Accessory Package | SEP-A

Stock Photo – Options May Vary

FACTORY NEW

MPD SELECT Elite Emergency Cart Accessory Package: SEP-A Accessory Package. The MPD SEP-A provides essential tools to optimize emergency care workflow. Built for compatibility with SELECT Series Carts (sold separately), this package delivers reliable functionality. It helps medical teams stay organized and respond quickly during urgent situations.

Each accessory enhances accessibility and improves efficiency. Included in the SEP-A package is the TIV-1 IV Pole, which offers stable and convenient IV bag support. You also get one Deep Single Shelving Unit for easy access to larger supplies.

Additionally, a Full Drawer Tray with Dividers helps separate and organize medications or instruments.

**Brochure and images are a general overview of the product. Actual product options may vary.*
