FACTORY NEW

MPD Select Ultimate Anesthesia Cart Accessory Package: SAP-A. The SAP-A Package streamlines anesthesia workflows with high-quality, modular accessories. Designed for compatibility with the SIT-630A Select Series Cart (sold separately), this package boosts efficiency and access to essential tools.

Furthermore, it's ideal for clinical environments that demand speed, cleanliness, and organization. Included accessories in the MPD SAP-A Package are the STB-5 Tilt 5-Bin Unit, STB-4 Tilt 4-Bin Unit, STR-1 Trellis, TWB-12 Wire Basket, TWC-2 Waste Container, and TSR-1 Tubular Rail.

Moreover, these components provide easy access and versatile storage for daily supplies, enabling staff to stay focused on patient care.

Brochure and images are a general overview of the product. Actual product options may vary.
