MPD Select Value Anesthesia Cart Accessory Package | SAP-C

Stock Photo – Options May Vary

FACTORY NEW

MPD Select Value Anesthesia Cart Accessory Package: SAP-C. The MPD SAP-C offers essential storage solutions at an affordable price point. Shown with the SKT-524A-SB Select Series Cart (sold separately), this package improves workflow and supply organization in fast-paced medical environments.

As a result, it’s perfect for facilities needing efficiency without unnecessary extras. This package includes a TGB-1 Single Glove Box Holder and a TWC-3 Waste Container (no top) for basic but essential hygiene and disposal needs.

These durable accessories mount easily to compatible carts, keeping supplies accessible and organized during procedures. For internal organization, the TMT-3K offers two 3″ trays with 8 long and 16 short dividers.

**Brochure and images are a general overview of the product. Actual product options may vary.*
