FACTORY NEW

MPD SELECT Value Emergency Cart Accessory Package: SEP-C. The MPD SEP-C Accessory Package provides essential add-ons to support fast, efficient emergency response. Designed for compatibility with Select Series Carts (sold separately), this package helps medical teams access critical tools quickly.

Moreover, it's ideal for hospitals, clinics, and emergency care settings needing reliable, ready-to-use equipment. This package includes a TIV-1 IV Pole for fluid and medication administration, an SCB-1 Cardiac Board for patient support, and TOB-1 Oxygen Tank Brackets for safe oxygen tank storage.

These durable components enhance mobility and preparedness during emergency procedures. To secure the cart contents, the MPD SEP-C package also includes TPS-1 Plastic Seals (100 per package).

FEATURES

- TIV-1: IV Pole
- SCB-1: Cardiac Board
- TOB-1: Oxygen Tank Brackets
- TPS-1: Plastic Seals 100/ per Pkg
