MPD Sharps Container Bracket Cart Accessory | SSB-1

Stock Photo – Options May Vary

FACTORY NEW

MPD Sharps Container Bracket Cart Accessory: SSB-1. The MPD SSB-1 is a reliable, easy-to-install accessory made specifically for MPD Select Series Carts. It provides a secure mounting solution for sharps containers, helping medical staff maintain safe and efficient disposal practices.

Moreover, ideal for fast-paced clinical environments, this bracket keeps sharps disposal close at hand without interfering with workflow. Constructed for durability and daily use, the SSB-1 attaches firmly to the side of the cart.

Furthermore, it allows healthcare professionals to safely discard needles and other sharps immediately after use, reducing the risk of injury or contamination.

Brochure and images are a general overview of the product. Actual product options may vary.
