FACTORY NEW

MPD Full Drawer Tray Standard & Select Cart Accessory: TMH-1. The MPD TMH-1 is a versatile accessory designed to fit both Standard and Select Series Carts. Built for efficiency, it simplifies drawer organization by providing dedicated compartments for medications and supplies.

MPD offers a full line of tray styles to meet various clinical storage needs. The TMH-1 Tray features 8 dividers, 14 ampule holders, and 2 rails, allowing for secure and accessible arrangement of contents.

Whether you're organizing medications, ampules, or small tools, this tray keeps everything visible and easy to reach. Its durable design ensures long-term use in demanding medical environments.
