Stock Photo - Options May Vary

## FACTORY NEW

MPD Standard 6 Drawer Anesthesia Cart w/ Electronic Lock: MET-630. The MPD MET-630 is a durable and versatile 6-drawer anesthesia cart, part of the Standard Series, designed for long-term use in demanding healthcare environments. Built with high-quality steel construction, it offers strength and reliability.

The cart comes in a variety of heights and custom drawer configurations to meet specific facility needs. The MET-630 model features a user-friendly electronic lock system with multi-code capacity and battery operation, eliminating the need for recharging.

The lock also includes dual-code programming and a tamper indicator for added security.
