MPD Standard 6 Drawer Computer Cart w/Key Lock | MKT-627C

Stock Photo – Options May Vary

FACTORY NEW

MPD Standard 6 Drawer Computer Cart w/ Lock: MKT-627C. The MPD MKT-627C offers secure storage and a reliable mobile workstation for healthcare professionals. Built with steel or EZ-Push aluminum, it ensures lasting durability. Additionally, the cart includes six drawers with quiet ball-bearing slides and full extensions.

Moreover, it’s ideal for hospitals, clinics, and long-term care facilities that need organized, mobile computer workstations. This MPD MKT-627C cart features a stabilizer frame and full-swivel casters for smooth mobility and balance. The extra-thick plastic top adds workspace and is easy to clean.

Furthermore, a key lock system secures your equipment and supplies.
