MPD Standard Emergency Cart Accessory Package | TEP-A Elite

Stock Photo – Options May Vary

FACTORY NEW

MPD Standard Emergency Cart Accessory Package: TEP-A Elite. The MPD TEP-A Elite Accessory Package transforms your emergency cart into a fully equipped code response station. Shown with the MBS-630 Emergency Cart (sold separately), this all-in-one kit includes essential accessories for critical care.

Additionally, designed for fast access and efficient organization, it's ideal for hospitals and emergency departments. Quantity is one unless otherwise noted.

Included in the TEP-A Elite is the TIV-1 IV Pole, TCB-1 Cardiac Board, and TSN-2 Side Shelf for added functionality. It also features the TSU-1 Suction Unit Holder, TDS-1 Defib Swivel Shelf, TUH-1 Utility Hooks, and the TOB-1 Oxygen Tank Brackets.

**Brochure and images are a general overview of the product. Actual product options may vary.*
