MPD Optional Side Cabinet Cart Accessory | TSC-1

Stock Photo – Options May Vary

FACTORY NEW

MPD Optional Side Cabinet Cart Accessory: TSC-1. The MPD TSC-1 is a smart storage solution designed to expand the capacity of your MPD Wide or Standard Cart. This durable, locking side cabinet securely attaches to compatible MPD carts, providing extra space for supplies, tools, and medications.

Ideal for healthcare environments where organized, secure storage is essential. Built specifically for MPD carts, the TSC-1 ensures a perfect fit and consistent quality.

It features a locking door to protect contents and maintain compliance with facility protocols. The images show the cabinet with the MKT-630-DB Standard Cart; however, the listing excludes the cart, which you must purchase separately.

FEATURES

- Increased Storage
- Key lock
- Waste Container
- Fits on any MPD Wide or Standard Size Cart

SPECIFICATIONS

- Dimensions: 30" H x 7" D x 18" W
