MPD Wide Aluminum 4 Drawer Cart w/Push Button Lock | WIT-430A

Stock Photo – Options May Vary

FACTORY NEW

MPD WIT-430A Wide Aluminum 4 Drawer Cart w/Push Button Lock. The MPD WIT-430A offers expanded drawer space and secure storage for busy healthcare environments. With 7 inches of additional width, this cart maximizes storage capacity without sacrificing mobility.

Lightweight, durable aluminum construction ensures it withstands daily use in hospitals, clinics, and treatment centers. The WIT-430A model features a reliable push-button lock, four spacious drawers, an outrigger frame for added stability, and twin push handles for easy maneuvering.

Furthermore, each latex-free cart includes a FREE plastic top, adding extra workspace for charts, tools, or supplies.
