MPD Wide AL 6 Drawer Cart w/Push Button Lock | WIT-630A

Stock Photo – Options May Vary

FACTORY NEW

MPD WIT-630A Wide Aluminum 6 Drawer Cart w/Push Button Lock. The MPD WIT-630A offers strength, storage, and versatility to support demanding healthcare settings. Its wide-body design adds 7 inches of extra drawer space (left to right), giving you more room for essential supplies.

Constructed from durable, lightweight aluminum, this cart delivers long-lasting performance while staying easy to maneuver. This model features a secure push-button lock, a FREE plastic top, and a fully latex-free design for patient safety.

Furthermore, the WIT-630A features six drawers and offers custom configurations to meet the unique requirements of medication, isolation, emergency, or general-use applications.
