FACTORY NEW

Oakworks Clinician Adjustable Lift-Assist Salon Top: This manually adjustable spa table saves electricity. Oakworks' Interlock leg extension system's strength gives you stability that guarantees peace of mind for you and your client.

The Adjustable Lift system is the most economical choice for your practice, and it features an open shelf underneath to store all of your massage equipment and accessories. Additional Features: The Oakworks leg extension system uses one adjustment knob, making adjustments easier without compromising the table's strength.

The knob is reinforced with a T-nut and surrounded by a padded rubber grip to resist dirt and oil.
