

Oakworks PowerLine™ 27" Wide Treatment Flat Top Table w/Shelf | PW27-SH

Stock Photo - Options May Vary

FACTORY NEW

The Oakworks PowerLine™ PW27-SH is a 27" wide treatment table constructed from natural bamboo, which offers superior strength and durability with tensile strength greater than steel. The bamboo construction resists swelling and flaking in wet or humid conditions, reducing the need for frequent adjustments over time.

This table features a 500 lb. bariatric weight capacity and includes a full-length notched shelf for improved stability and support. Fold-out legs enable quick setup, while accessory outlets at both ends provide versatility for various clinical applications. The reinforced corners and heavy-duty construction ensure professional durability.

The PW27-SH comes with 2.5" comfort foam padding and premium PVC-free TerraTouch™ upholstery that resists punctures, tears, scrapes, and scuffs. Assembly tools and a paper roll holder are included, and the table is ready for use within minutes of setup.
