Pedigo Central Supply Work Table | CDS-3260

Stock Photo – Options May Vary

FACTORY NEW

The Pedigo Central Supply Work Table: CDS-3260 is a heavy-duty table designed for durability and reliability in demanding healthcare environments. Constructed entirely from stainless steel, it provides a robust surface that resists corrosion and wear, making it ideal for central supply areas, medical facilities, and laboratories.

The table features a spacious work area, allowing for efficient organization and handling of medical supplies and equipment. Its sturdy design ensures long-lasting performance, while its easy-to-clean surface supports hygiene standards in clinical settings.

FEATURES

- Height adjustable floor glides
- Optional Accessories
- Swivel casters with brakes
- Full length lower shelf
