FACTORY NEW

Pedigo Extended IV Hook Top Assembly: P-1080-H. Pedigo's P-1080-H is a rake-style, 8-hook top assembly designed for increased capacity.

It mounts easily in place of the standard 6-hook top assembly, offering more versatility for hanging multiple IV bags or medical equipment. This durable assembly ensures secure attachment and organized management of supplies.

Ideal for busy healthcare settings, it improves workflow by providing additional hook space for a variety of needs. Click the following link to view Venture Medical's Complete Catalog of Infusion, Syringe, and Irrigation Pumps, Stands, and Accessories.
