Pedigo Specialty Back Table, Space Station | CDS-3060

Stock Photo – Options May Vary

FACTORY NEW

Pedigo Specialty Back Table: 60″ Wide Space Station CDS-3060. A specialty back table provides additional room for large cases such as orthopedics, spinal fusions, neuro, and craniotomies.

The tuck-away cantilevered shelf holds multiple trays and is angled for clear instrument observation. Users can easily roll the CDS-3060 into position using heavy-duty ball-bearing brake/swivel casters.

Additional CDS-3060 Features: Easy to lock this Specialty Back Table in place – engage the single-pedal brake and swivel caster locks. Strong, heavy-duty, all stainless steel construction. Pneumatic assist enables one-person operation in raising or lowering the cantilevered shelf. The shelf raises easily when extra space is required and lowers into its storage position when not needed.
