

# Pedigo Stainless Steel 12 Quart Kick Bucket | P-1020-SS

Stock Photo - Options May Vary

## FACTORY NEW

The Pedigo Stainless Steel Kick Bucket P-1020-SS is a durable waste disposal solution designed with a balanced, tip-resistant structure for stability. Electro-polished stainless steel construction ensures long-lasting durability and a professional finish suitable for medical, dental, and laboratory environments.

The bucket features 2-inch swivel casters for easy mobility, allowing users to reposition it effortlessly throughout the workspace. A perimeter bumper protects walls from damage during use and movement.

With a 12-quart removable basin capacity, this kick bucket efficiently handles larger waste volumes while maintaining a hygienic and organized workspace.
