Pedigo Stainless Steel Wall Cabinets

Stock Photo – Options May Vary

FACTORY NEW

Pedigo Stainless Steel Wall Cabinets. Pedigo's Stainless Steel cabinetry is designed to maximize storage and space utilization, offering both durability and efficiency. The Double Panel doors feature FDA-approved polyethylene foam for glass shock resistance, ensuring safe and secure operation.

Stainless Steel Shelves are adjustable in 1/2″ increments, providing flexible storage options to accommodate various items. The robust stainless steel construction guarantees longevity, while the sleek design complements any healthcare environment.

Pedigo's cabinetry features smooth surfaces for easy cleaning and corrosion resistance, making it built to withstand the demands of medical and clinical settings.
