Pedigo 500 Stretcher Crib Accessories

Stock Photo – Options May Vary

FACTORY NEW

Pedigo Stretcher Crib Accessories for Model 500. Pedigo works closely with hospital designers and owners during the initial stages of new facility construction. Additionally, this collaboration ensures efficient facility design and product flow from sterile processing to the operating room.

Furthermore, the Pedigo name has become synonymous with quality, durability, sterility, and service to the customer. Available Model 500 Accessories Croupette Security Top w/Removable End (5107001) Mounting Bracket (5104002) Moreover, the Croupette Security Top is designed specifically for the Pedigo Crib Stretcher model 500. As a result, it accommodates a mist tent for added respiratory support.

In addition, this accessory requires part 5104002 for proper mounting.
