

Replacement Stretcher Pad for Stryker 1067 Stretcher

Stock Photo - Options May Vary

FACTORY NEW

Replacement Pad for 1067 Stryker Stretcher model number: VMR-SP-1067. Single Piece Pad, no separate Headrest. 3" thick padding for Stryker 1067 Eye Surgery Stretcher. The pad is made from durable, easy-to-clean materials, making it ideal for high-use environments such as eye surgery centers.

Available in black only, it maintains a professional and sterile appearance, perfectly suited for medical settings. The replacement pad is a reliable solution for healthcare facilities looking to maintain patient comfort while supporting the functionality of the VMR-SP-1067. Note: Pad shown in use on Stretcher.

Stretcher not included, sold separately.
