

# Replacement Stretcher Pad for Stryker 5051 Stretcher Chair

*Stock Photo - Options May Vary*

## **FACTORY NEW**

Replacement pad designed specifically for the Stryker 5051 Eye Surgery Stretcher Chair. Features a three-piece construction with 2 inches of thick, cushioned padding to provide optimal patient comfort and support during eye surgery procedures.

The three-piece design allows for easy replacement and maintenance while maintaining a stable, comfortable surface for the patient throughout the procedure.

Pad is available in black and is sold separately from the stretcher chair.

*\*Brochure and images are a general overview of the product. Actual product options may vary.*
