

# SchureMed Stirrup Wall Rack | 800-0284

*Stock Photo - Options May Vary*

## **FACTORY NEW**

The SchureMed Stirrup Wall Rack (800-0284) is a wall-mounted storage solution designed for surgical environments. It stores two surgical stirrups, boot liners, clamps, and other accessories in an organized, easily accessible manner.

The rack attaches securely to the wall using four supplied screws and features a compact design that optimizes available space in the OR suite. Its durable construction ensures reliable long-term performance in high-traffic surgical settings.

By reducing clutter and providing orderly storage, the rack enhances OR efficiency and promotes a safer, more organized surgical environment for staff.

## **FEATURES**

- Wall-mounted rack improves OR safety
- Attaches to wall with four screws (supplied)
- Stores two stirrups, two boot liners, clamps, and other accessories
