

Steris 3080/3085 SP Surgical Table Replacement Hand Control

Stock Photo - Options May Vary

FACTORY NEW

This is a factory OEM replacement hand control for Steris Amsco 3080/3085 surgical tables. It restores full functionality to tables with non-working hand controls or remotes, allowing surgical teams to resume normal operations without equipment downtime.

The hand control features durable construction designed to withstand the demands of the operating room environment. It includes a rail hook for convenient mounting and storage when not in use.

This replacement is new and original equipment manufacturer specification, backed by a 90-day ship back warranty to ensure reliability and peace of mind.

FEATURES

- Durable Construction
- Rail Hook
- OEM Factory New
- 90 Day Ship Back Warranty

**Brochure and images are a general overview of the product. Actual product options may vary.*
