

# Stryker Superior Wrist Rest – Refurbished | 1068-250

## FULLY REFURBISHED · CLINICALLY CERTIFIED

The Stryker Superior Wrist Rest supports ophthalmic and head and neck surgeries. This wrist rest easily inserts into the head section of most Stryker eye, head, and neck surgery stretchers, providing stable support for the patient.

Its ergonomic design helps reduce strain on the patient's wrists, improving comfort and surgical accessibility. The device enhances surgical precision while minimizing discomfort during procedures.
