Tuttnauer 2340M Manual Autoclave

Stock Photo – Options May Vary

FACTORY NEW

Tuttnauer 2340M Manual Autoclave – New. This sterilizer meets the demands of medical, dental, and lab settings. Its durable build and bright, easy-to-use control panel keep every cycle simple.

In addition, staff can rely on steady, consistent results with every run. This manual autoclave shuts off on its own at the end of both the sterilization and drying cycles. As a result, it helps cut energy use and reduces the need for staff to watch over it.

Meanwhile, a double safety locking mechanism keeps the chamber from opening while pressurized, protecting operators during use.

FEATURES

- Automatic Shut Off at the end of Both the Sterilization and Dry Cycles
- A Long Life Electro Polished Chamber and Door
- Double Safety Locking Device Prevents Door from Opening while the Chamber is Pressurized
- The Drain Valve is Located on the Front, allowing for Quick and Easy Draining of Water Reservoir
- Dual Safety Thermostat to Protect Against Overheating

SPECIFICATIONS

- Chamber Dimensions: 9" x 18"
- Chamber Volume: 5 Gallons
- Overall Dimensions: 21.5"D x 20"H x 14.4"H
- Standard Cassettes Capacity: 2 Full and 2 Half
